An estimate was obtained by the landscape committee to clean up and clear the wooded area at the entryway along Arcola. Southern Landscape quoted \$1800. The landscape committee will be asked to get more quotes prior to beginning work. In addition to the brush clearing, quotes need to be obtained to remove and/or replace the dead Leland Cypress tree at the entryway.

The HOA board decided not to issue a standards and guidelines document to the neighborhood. Instead, a document explaining all the current neighborhood bylaws, in laymen's terms, will be issued.

Next Meeting: 11/1/2010 at Bob S.'s house.
